Trevelino/Keller wins Ian Thomas Group

March 10, 2009

ATLANTA: Trevelino/Keller Communications Group has added the Ian Thomas Group to its technology roster. Headquartered in Atlanta, the Ian Thomas Group provides strategic and tactical software performance engineering services. T/K will build the company's core messaging and press materials, executing an analyst and media relations campaign surrounding product launches, as well as manage a visibility program for Kevin Mobley, founder of the Ian Thomas Group.
